Liberia Launch

Last month, I joined our president, Dr. Tim Beavis, on a training trip to Monrovia, Liberia. While every opportunity to train pastors is a blessing and privilege from the Lord, this week was especially impactful because it represented the launch of our first training center in the country (and in West Africa as a whole).

CURRENT PROJECTS

I am continuing to develop a new course on Ecclesiology, which will be taught for the first time in April 2026

Our in-country coordinator, Pastor Matthew Gonkerwon, did a fantastic job arranging all the details in preparation for our week of training, where 70 pastor-students from across the country gathered for our first course in Hermeneutics. We are so thankful to Pastor Matthew and his entire team – not only for making this initial training a reality, but for committing to partner with Carey International University of Theology in strengthening the church of Liberia for years to come.

TRAINING UPDATE

November is one of our busiest months of the year, with over 10 weeks of training scheduled before Thanksgiving in the US

Lord willing, we will be sending members of our teaching team to Monrovia three times each year. Already we have courses scheduled in February, June and September of 2026, including instruction in the Old Testament (Survey), New Testament (Survey) and Foundations of Theology.

PRAYER REQUESTS

Pray for safety and ministerial impact as we travel to some of our most challenging training centers this month

We are praising the Lord for opening the door for training in a place where opportunities for affordable and accessible theological education are so limited. Thank you for your continued prayers and encouragement as we entrust these teachings to faithful men, who will teach others also!

Come & See What The Lord Has Done

It is often difficult to describe, in words, what God is doing through the work of Carey International Pastoral Training. Here are some pictures of our latest training at LifePoint Chapel in Liberia, so you can see it for yourself! As you look at the faces of these pastors, please remember to uphold them in prayer as they seek to apply the things they have learned in ministering to their congregations.

Support the Mission

In order to offer theological education to our pastor-students without charge, we rely on the support of faithful men and women like you. Your financial contributions go directly to the theological education of pastors in these developing nations, strengthening the church and changing lives in some of the darkest and most difficult places in the world.
